Capacity: We can accommodate up to 175 guests. We have approximately 75 parking spaces.

Facilities Coordinator: Rivers Edge will provide a **facilities coordinator** on the day of your event to assist with parking and to keep the venue operating smoothly. This person is not a wedding coordinator, but is there to make sure your questions about our facility are answered. We strongly recommend hiring a **Day of Coordinator!** In our experience things go much smoother when there is a Day of Coordinator. We recommend Seattle Brides and Brikmoda Events. At this time we are not requiring a Day of Coordinator, just strongly recommending it!

Catering: We have a recommended caterer you can use (Three R Catering and Freedom Grill) but you are free to choose any caterer you want. Caterers are responsible for their own trash removal. We do not have facilities for cooking or food prep so you will want to choose someone who has either the ability to cook onsite in a self contained trailer or the ability to keep food warmed/chilled as needed. If you decide to self-cater (Food Drop off or Potluck), we recommend that you hire professional staff to serve food and clean up. Some bartending services will offer host/hostess services for hire as well. A good number is a minimum of 1 server per 80 guests. You may need staff to assist with cake cutting, water filling, coffee making.

Security Deposit: There is a \$1,000 fully refundable damage/cleaning deposit. You can give a check or send funds using Venmo, Zelle or Paypal that will be credited back to you if there are no issues.. Checks will not be cashed unless there is a problem that must be addressed. We will walk through everything with you and give you an opportunity to rectify any issue as our goal is to return all of your deposit!

Event Insurance: A 1 million dollar Event Insurance policy is required, naming Rivers Edge B&B and Wedding Venue/Tanya and Robert Everson as additional insured.
The most popular and easiest way to purchase policy can be found at www.wedsafe.com.

Other items

Accessibility: We have 2 ADA sized restrooms. We have a golf cart and are happy to drive down any guest who may need assistance. You may also use the cart if you would like help with transporting decorations, chairs, etc.

Alcohol: All alcohol must be served by a licensed **and insured** bartender and a banquet permit is required. No self-serve. We suggest that you limit the amount of time for alcohol so that nobody gets "Cut off" and cannot participate in the toast. Washington State law says the host of the even is legally liable for drinking and driving accidents.

Smoking:-- Smoking is allowed in the designated smoking areas. There is one behind the restrooms and we can have a second area if you wish-- just let me know.

Children: Please make sure that parents do not allow kids to climb or jump off the rock walls. Ensure that children are kept an eye on, especially near the river. It may be a good idea to hire or assign a childcare provider to oversee children ten and under and to plan some children's activities or crafts. Parents can enjoy themselves and damages will be minimized when children are safely occupied.

Pets: Pets may be a part of your wedding ceremony but after the ceremony the pet must be crated.

End of night: All trash should be closed tightly and placed next to the bins alongside the garage. We would like to have to have one person as a designated person to do a walk through with to ensure everything is put away/clean. We will put away the tables and chairs.

Decorations: Battery operated candles are fine. For send off, you may use Flower petals, bubbles, ribbon wands, balloons, and other non impact items are allowed. Please do not use rice, birdseed, fake flowers, confetti, glitter, or potpourri. No open flames or fireworks allowed.

Contact info: Call or Text Tanya- 425-478-7298 with any questions.
Our goal is to make your day great!
